

AFFORDABLE WEB DESIGN, MAINTENANCE AND HOSTING!
Offered by OCUPN.com!

Do you want a website for your business, but could not afford the ridiculous prices asked by most Web Designers? Let OCUPN.com help you! We offer simple website design, set up your domain name and host your site all in one location! We also set-up your email and offer unlimited changes - the cost is covered in your quarterly hosting fee!

Website Design:
\$25 One-time Fee

Standard one page website, is a one-time setup fee and includes the following:

- Business Logo, Business Name, Business Slogan, Address, Phone Number, Fax Number
- Approx. Five (5) thumbnail photos with hyperlink to larger image [8 1/2" x 11" max .jpg photo]
- Photo description/content
- Bookmark hyperlinks to different categories
- Unlimited requests for content change within 3 month Hosting Plan

Domain Name Registration, Redirecting and Masking
Billed \$35/year

Once OCUPN has designed your website, consider having us register a domain name for you and have it AUTOMATICALLY redirected to your webpage on OCUPN.com! We can now apply 'Masking' which would hide the long URL which your domain name is redirected to.

Ex: Instead of letting customers know your website is:

<http://www.ocupn.com/cosmoshealingarts/CHAHome.asp>

You would tell them it is: www.CosmosHealingArts.com

The above link was redirected and masked to the long URL.

Additional Web Page/Link
or Extra 5 photos/Content added to web page:
\$10/each One-Time Fee

- These pages may include the following:
 - Home [Page design included in \$25 setup]
 - About Us
 - Services
 - Events
 - Contact Us
 - Links

In This sample, there are 5 additional pages, therefore an extra \$50 would be added to your design fee.

Website Maintenance and Hosting
Billed \$35 Quarterly

In order to keep your website 'alive', you will need to host it on a web server. OCUPN.com offers you this capability at a fraction of the cost! Most independent web hosts will charge you \$20 per month hosting and does NOT include any maintenance to your website.

Here at OCUPN.com, you received UNLIMITED changes to your website, and billed every three (3) months! This includes changes made to the existing content of your page, graphic replacement and logo replacement.

Remember, this only for modifications. If you wish to add more photos or an additional web page/link, this would be a \$10 charge.

E-mail setup
Billed \$25/year

Once we register your domain name as www.<domain_name>.com, we can setup up to five (5) Email accounts for you! This will look more professional instead of using a FREE email provider such as yahoo.com and hotmail.com.
